

Does Revision Village offer discounts?

11/08/2023 1:12 pm NZST

We value your interest in our membership options and understand your desire for a discounted rate. While we genuinely appreciate your situation, we regret to inform you that we are unable to offer further discounts beyond our current pricing.

Our commitment to fairness and consistency for all our members is paramount. Applying additional discounts selectively would create an imbalance and potentially lead to complications in the future. Our aim is to provide equal opportunities and benefits to all members.

We understand this might not be the news you were hoping for, and we apologize for any inconvenience this may cause. Our team is dedicated to providing high-quality education and support, and we hope you'll consider the value our membership offers even without additional discounts.

Should you have any further questions or require assistance with any other aspect of our curriculum or services, please do not hesitate to reach out.

Thank you for considering Revision Village!
